

Change of Business Structure

From January 1 2025 I have changed status from sole trader to providing services via a limited company. You will not notice any obvious changes although your payments via Ezypay will now go to A J Mander Pty Ltd. Over the next few weeks you will receive a form from me which provides for your acknowledgement and consent to these changes. Please complete it and return it immediately. If the form is not returned we will need to discuss with you transition to another provider.

As you know if you are emailing us or responding to an email you must use the contact form available on the website and at

<https://form.jotform.com/242208009501848>

You must not use your email client (including the reply function). We have introduced this change to provide extra protection to your sensitive clinical data as health related businesses are a prime target for hostile actors.

Regards, Tony

A J Mander Pty Ltd t/as embracing ADHD
